

China International Taekwon-Do Open Championships

The 2024 ITFOPEN China International Taekwon-Do Open Championships Concluded Successfully With the gentle breeze of summer, the 2024 ITFOPEN International Taekwon-Do Open Championships was grandly held in Kunshan, China, from August 16th to 19th. This prestigious event not only gathered Taekwon-Do elites from all over the country but also served as a dazzling stage to showcase the strength and charm of Chinese ITF . The tournament attracted over 30 top-tier teams, assembling nearly 300 highly motivated athletes and around 100 dedicated staff members, jointly weaving a breathtaking sporting spectacle.

Particularly noteworthy is the esteemed presence of a heavyweight guest from the ITF – President GM Choi JungHwa, who graced the occasion. His attendance not only added immense glory to the competition but also underscored the significant position of Chinese ITF Taekwon-do on the international stage.

During the solemn ceremony, President Choi highly praised the vigorous development of Chinese ITF, especially expressing profound recognition and admiration for the outstanding contributions of China's Chief Master Zhao Jinghu. Additionally, he commended the professionalism and enthusiasm displayed by the organizer, Master Ye Ping and his team, hailing their success in creating a high-standard international Taekwon-do tournament.

In the subsequent exchange, President GM Choi JungHwa engaged in heated and profound discussions surrounding the development blueprint of ITF globally and in China. He fondly recalled the rich history of Taekwon-Do and envisioned the vibrant future growth of ITF Taekwon-Do worldwide, encouraging Chinese ITF to actively participate in international competitions and exchanges while boldly taking on the responsibility to disseminate China's ITF achievements and inspiring stories to every corner of the world, continuing to write an even more glorious chapter.

This conversation not only deepened the international Taekwon-Do community's attention and anticipation for the development of Chinese ITF but also ignited a profound resonance and noble pursuit of the Taekwon-Do spirit among all participants. Under the guidance of President Choi's advocated Taekwon-Do philosophy, Chinese ITF is bound to advance towards an even more splendid future with a more mature demeanor.

After the competition, President Choi JungHwa presented 7-dan certificates to newly Junior Masters who passed the exam.
